## Heineken

0,3L - 40,-  
0,4L 75,-

---

## Anarkist 0,4L - 75,-

### **Naked Gold**

Clear and golden with full-bodied and crispy malt character, which is accompanied by a light sweetness. It is more powerful than a lager and made with inspiration from the legendary Dortmunder Export.

### **Bloody Weizen**

Wheat beer with blood orange and lots of hop. It is fruity, airy and sparkling - like wheat beer is supposed to be.

### **Juicy Galaxy**

Strong hop IPA with intense aroma and refreshing bitterness. It is cloudy in the glass and the scent is dominated by citrus notes.

### **Brown Ale**

Dark brown ale with cream-colored foam, aroma of caramelized malt and discreet notes of citrus. A mild sweetness, which is rounded off with a light bitterness.

## Non-alcoholic - Teedown 0,5L - 65,-

### **Gentle Lager 0.0%**

Gentle Lager is perhaps the most gently brewed non-alcoholic beer of the time. It is fresh, classic, mineral, refreshingly fresh and leaves a lovely long aftertaste.

### **Wheat Dreams 0,0%**

A sophisticated, over-fermented, creamy, refreshing and mildly sour wheat beer. The beer is completely its own and has lots of aroma, taste, color and fullness.
