## .. BEER ..

Heineken 0,5L 75,-

---

Anarkist 0,4L 75,-

### **Bloody Weizen**

Wheat beer with blood orange and lots of hop. It is fruity, airy and sparkling - like wheat beer is supposed to be.

### **Brown Ale**

Dark brown ale with cream-colored foam, aroma of caramelized malt and discreet notes of citrus. A mild sweetness, which is rounded off with a light bitterness.

### **Juicy Galaxy**

Strong hop IPA with intense aroma and refreshing bitterness. It is cloudy in the glass and the scent is dominated by citrus notes.

### **Fizzy Lime Fusion IPA**

Sweetness and acidity in perfect balance with a clear taste of lychee and lime, without losing the character of beer. Full-bodied, refreshing, and pleasantly sour with a subtle, lingering bitterness.

Non-alcoholic - Anarkist 0,5L 75,-

### **Hazy IPA (0,5%)**

You will meet a New England Style IPA, which has lots of American aroma hops, added as dry hops, which gives a great fruit character and has a relatively low bitterness.
